Junior Adventure Club

The Junior Adventure Club is an opportunity for children to be active, socialize, and have fun! Each day is a field trip filled with tours, athletics, games, and more. Your kids will get out of the house and have 2 weeks of summer fun! From roller skating to swimming to art projects, students get the chance to enjoy their summer vacation with other kids their age, all leading up to a trip to Michigan's Adventure on the final day. This "fun club" has become one of Holland's top summer attractions with kids returning year after year.

This eight-day program runs Monday-Thursday with activities starting each day at the Civic Center at 9:00 AM and ending at 3:00 PM. On the first day, children should wear comfortable clothing and shoes, and bring a sack lunch. More detailed information will be given to each participant on the first day. Parents are responsible for retrieving the calendars from their child, as there is important information regarding pick up and drop off times and locations. **NOTE:** The field trip to Michigan's Adventure will require an additional fee of $25 for one day admission.

Registration is limited to 40 children per session, and will be taken on a first come, first served basis. Register today! Child's age is determined as of the first day of the program.
