

New Citizen Request Management Website and Smartphone App

We are launching a new Citizen Request Management System. This will allow Holland City residents to submit reports of issues around the City using our website or from their smart phone by downloading an app (City of Holland Mobile) from either the Google Play Store or the Apple App Store.

[Citizen Request Management System](#)

Get the App:

[iTunes \(iPhone\)](#)

[Google Play \(Android\)](#)

[Windows Phone \(WP7+\)](#)
