

The Buzz about Bees

Event Title: The Buzz about Bees

Date/Time: Sat, Aug 3rd 2:00pm

Location: DeGraaf Nature Center

The nature center maintains an observation honey bee hive where you can observe them going about the business of cleaning and making cells from wax, filling them with honey and pollen and rearing the young. Other bees can be seen foraging for nectar and pollen outside. During your visit you may taste some honey too. This program is for school age children to adults. **Fee: \$3 or free for Friends of DeGraaf. Please call to register.**
