

## An Evening with Bats

**Event Title:** An Evening with Bats

**Date/Time:** Fri, Aug 23rd 8:30pm

**Location:** DeGraaf Nature Center

Bats emerge in our neighborhoods just a few minutes after sunset. Come this evening and join a naturalist to listen for them with a “bat detector” that will allow us to hear their calls in the dark. Many are often seen hunting the nature center’s meadow on summer evenings. For school age children and families. **Fee: \$3 per person, Free for Friends of DeGraaf. Please call to register.**
