

## Butterflies and Blooms at Sarett Nature Center

**Event Title:** Butterflies and Blooms at Sarett Nature Center

**Date/Time:** Sat, Sep 14th 10:00am - 3:00pm

**Location:** DeGraaf Nature Center

Sarett is a premier nature center located in the St. Joseph/Benton Harbor area that features a beautiful butterfly house, a canopy treetop walkway and over 800 acres of trails that take visitors to an array of natural communities along the Paw Paw River. On this visit we will tour the butterfly house and nature center exhibits, have a picnic lunch and look for lowland wetland wildflowers such as the fringed gentian, grass-of-Parnassus, purple gerardia, brook's lobelia and much more. Wetland areas have a peak bloom time in late summer. Please pack a sack lunch, hat and sunscreen for this outing. We will provide your naturalist guide, transportation and admission to the center and butterfly house. **Fee: \$15 per person/\$12 for Friends of DeGraaf or (\$8/\$5) for school-age children 12 and under accompanied by an adult. Please call to register.**
