## Build a Birdfeeder

**Event Title:** Build a Birdfeeder

**Date/Time:** Sat, Oct 19th 2:00pm

**Location:** DeGraaf Nature Center

It's the time of year, as temperatures drop, when our bird friends appreciate the seed you put outside for them even more. In this program we will have simple tray-style covered feeders ready for you to assemble. We will also provide you with some starter seed. This is a great activity for young children with an older person assisting. Bring a hammer. **Fee: \$6 per feeder. Please call to register.**
