

Attracting and Feeding Winter Birds

Event Title: Attracting and Feeding Winter Birds

Date/Time: Sat, Nov 9th 2:00pm

Location: DeGraaf Nature Center

The nature center has always maintained year-round feeding stations for birds. Currently John A. VanDenBosch Pet and Outdoor Feeding Specialists donates all of our supplies to keep our winged friends coming to our observation area. This program will present the basics of what and how to feed birds by learning about feeders, seed, suet, nuts and other ways to attract them during the winter months. **Fee: \$3 or Free for Friends of DeGraaf. Please call to register.**
