

Fall Leaf Program-City Residents

Event Title: Fall Leaf Program-City Residents

Date/Time: Sat, Oct 4th (All day) - Sat, Nov 15th (All day)

Location: Holland City Streets

Holland's Annual Fall Leaf Program has been scheduled for October 4, 2014 through November 15, 2014.
Only leaves will be picked up.

If branches or other debris are in your leaf piles, your pile will not be picked up. Leaf piles left in yard areas cannot be picked up due to the potential damage to yards, sprinklers systems, or landscaping by the trucks and equipment used in the program. The Streets Division asks that leaf piles not be placed near utility poles, guy wires, fire hydrants, mail boxes or other obstructions that would prevent their equipment from accessing your leaf pile.

As with snow removal, leaf piles may only be left on your own property, not the property of another, per Ordinance Sec. 19-7. Please see attachment for details of the ordinance.

Call Community & Neighborhood Services at 616.355.1335 to ask about options to dispose of yard waste/debris outside of our Fall Leaf Pick Up and Spring Clean Up programs.
