The Holland City Hall parking lot and the Herrick District Library parking lot are scheduled for resurfacing. Both lots are tentatively scheduled to be milled on Wednesday, October 16, 2013. Black Gold Paving Services is the contractor hired to do the work.

Weather permitting, the Herrick District Library parking lot will be paved and re-stripped the following day and evening, Thursday, October 17.

Visitor's to both buildings will not be able to use these lots and will have to use on street parking.
