CITY OF HOLLAND TEMPORARY TRAFFIC CONTROL ORDER

Order No. 2013-T-00060 Effective Date Nov. 4 – 18, 2013
(when official traffic control signs or devices conforming to this order are erected.)
In accordance with Section 18-16 of the Holland City Code, the
following traffic regulations are issued:

Starting Monday, November 4, there will be lane closures and restricted turning movements at and around the intersection of E 8th Street and Waverly Road. During this time, the B.P.W. and their subcontractor, Inland Water Pollution Control, will be lining the sanitary sewer in this area. The work will progress west along 8th Street to Highland Avenue. The work is expected to be completed by November 18th. Work schedule is weather dependent and may go longer based on weather conditions.

Questions regarding this work should be directed to Dave Cyrus at the B.P.W. 616-355-1646.

Special Instructions:

If work requires road to be closed past the dates stated on this notice the Contractor MUST call to request a revised Traffic Control Order.

The Contractor (BPW & IWPC) will setup and maintain all barricades, signs and warning devices as deemed necessary to assure public safety. Contractor must follow guidelines for road closures or lane closures as set forth in the Michigan Manual of Uniform Traffic Devices.

Issue Date: 10-30-2013 Expiration Date: Nov. 18, 2013

Ryan Cotton
City Manager
