

Fortunate Wilderness

Event Title: Fortunate Wilderness

Date/Time: Sat, Feb 1st 2:00pm - 3:00pm

Location: DeGraaf Nature Center

Fortunate Wilderness - A close look at the wolf/moose study on Isle Royale. This DVD takes a look at the researchers and the island in winter when most surveys and studies are done on the populations of the wolves and the moose. DeGraaf will be taking a group to the island this coming August so this is a good time to start thinking of exploring this great national park.
