Q. My bill has someone else's name on it, what should I do?

First make sure it is your bill, i.e. check the permanent parcel number and address. If it is your bill, most likely there has been a recent ownership change and the taxpayer information hasn't been updated, If this is the case, you may pay on the bill you received. Again, please note it is the taxpayers responsibility to pay the taxes by the due date.
