

Ourstreet Target Area (7/5/13 Update)

From 1995 to 2012, the City of Holland supported the Ourstreet Program, an effort of focused staff and resource commitment to the Ourstreet Target Area, shown on the accompanying map and described as 13th Street to 19th Street, from Lincoln Avenue to Harrison Avenue.

****In 2012, the Ourstreet Program was absorbed in the Department's Housing & Neighborhood Division. The proper reference for our new targeted focus is now "[Central Neighborhoods](#)".****

Programs are available to the Central Neighborhood District.
