

Neighborhood Impact Program

Neighborhood Impact Program

This program is currently NOT available. As soon as it becomes available, we will update this webpage.

Thanks to the (FHLBI) Federal Home Loan Bank of Indianapolis' "Neighborhood Impact Program", the City of Holland and Macatawa Bank are able to provide up to \$10,000 rehabilitation assistance to homeowners in the Central Neighborhood provided they meet program requirements.

Click on Supporting Documents below "**Neighborhood Improvement Information**" for a complete list of eligible projects and application.

Purpose: Provide single family homeowners in the Central Neighborhood with monies to renovate their homes and improve their neighborhood.
