### [PROCEED TO ONLINE REGISTRATION](#)

\*\*\*Please note: The Holland Recreation Division will be doing its yearly maintenance of the online registration system on Wednesday, November 12, 2014. Online registration will not be allowed on this day. You can still register in person at the Recreation office from 8:00am-5:00pm on this day. There is an after-hours drop box in front of the Recreation office (Civic Center) for registrations.

We are pleased to offer a convenient online registration option to you through our Webtrac system! You will have to have registered for previous Holland Recreation Division programs or set up a household account with the Recreation Division to be able to actually register online. To register you will need to have your household number to register and pay. This number is on any receipt you would have gotten from the Recreation Division OR if you cannot locate it or have forgotten it, please feel free to call the Recreation Division at 616-355-1130 and we can look it up for you instantly.

You can view program schedules and information without signing in. If you require additional assistance while using the system, please contact the Recreation Office at (616) 355-1130.

**A few helpful notes about online registration:**

- ***Your household number is your "user name" AND "password"***
- ***You are able to simply browse without a household number as a "guest", but you will NOT be able to register for programs this way***
- ***You will NOT be able to transfer or cancel programs through the online system, you will need to call the Recreation Office***
