

Recreation Facilities

The Civic Center

The Holland Civic Center has a long tradition of being the primary facility for accomodating a wide variety of events in the Holland area. In addition to an ideal downtown location, the facility has the kind of flexibility to handle large and small gatherings. From basketball games to special event shows, the Civic Center is a great place for your event.

If you are interested in renting the Civic Center, contact the office at 616-355-1130.
