

## **Knee-High Naturalist Classes for Preschool children 3 to 5 years of age.**

### **Winter Series 2015**

This special time is for pre-school age children, 3 to 5 years of age. Each month will have its own nature theme. Indoor and outdoor activities are planned. Parents may attend with their child if desired. Limited to 12 children each session.

**Thursdays: January 15 and February 19**

**10:00-11:30 a.m.**

**or**

**Fridays: January 16 and February 20**

**10:00-11:30 a.m.**

**January- Winter Wonderland**

---

**With snow covering the ground (hopefully) we will explore the trails by taking a hike on snowshoes. We will learn about where animals go in the winter and make fun winter crafts.**

### **February- Owls**

**Whoop whoop wants to learn about owls? We will have a hooting good time with books about owls, an owl craft and even a visit with two live owls. Dress warm for our daytime owl-prowl.**

**Registration has started for the Winter Series of the Knee-high Naturalists Classes. Please call (616) 355-1057 or stop by the nature center to register.**

**Fee: \$13.00 for Holland City residents and nature center members;  
\$20.00 for non-City residents**
