

Holland Heights School Park

Holland Heights School Park

Location

Holland Heights School Park is a 12 acre park located at 856 East 12th Street.

History

In 1998, the City of Holland and Holland Public Schools partnered to renovate the Holland Heights Elementary School playground; in order to address citizen's concerns about the need for more recreation opportunities in the Holland Heights area. This park was developed as part of a joint project between the City and Holland Heights School in 2001. This facility was dedicated on May 30, 2003.
