

Permits & Construction Inspections

Permits & Construction Inspections

All construction permits, and inspections including plumbing, electrical and mechanical are handled by Community & Neighborhood Services. When requesting an inspection, be sure to allow at least 24 hr. advance notice.

Please call 616.355.1330, or 616.355.1462 (24hr hotline), or 616.355.1346 (fax) or cns@cityofholland.com email.

Please provide permit #, complete job address, name of contractor and person requesting the inspection, contact phone number and type of inspection and date of inspection.

Scheduling note:

From time to time the inspector will not be available due to vacation, sick time, code conference attendance, city meetings, court appearances or other duties: Bldg/ Plbg/ Mech. Inspections will be scheduled between 9:30am - 4:30pm.

The Electrical Inspector works on Monday, Tuesday and Thursday.

Please direct any questions you may have to 616-355-1330.
