

Code Enforcement

Code Enforcement

In ensuring that the City of Holland is a safe place to live the office of Community & Neighborhood Services is assigned the task of enforcing local codes in regards to a variety of rules and regulations. Some of the more common ones are listed below, for a comprehensive list please see the online codes of the City of Holland Ordinances - See "**Web Links**" below.

- Automotive repair work
- Garage sales
- Garbage
- House/street numbers
- Inoperable vehicles
- Large trucks and trailers
- Long grass
- Rubbish
- Signs
- Snow removal

If you have any questions or concerns about Code Enforcement, please contact the Community & Neighborhood Services Department 616-355-1330.
