Long Grass

- You may not permit or maintain any growth of weeds, grass, or rank poisonous or noxious vegetation on any part of a lot or a parcel of land to greater average height than eight (8) inches within 200 feet of the center line of a public street right-of-way or upon the untraveled portion of the public right of way lying between the road and sidewalk which abuts any such premises (in the curb area).
- Failure to comply with the above requirements may result in a Notice of Violation Ticket being issued. You will have 48 hours to comply.
- The City of Holland may also abate the nuisance without further notification, by having the lot or lots mowed or cut, the vegetation sprayed, or by other appropriate means. The cost of this abatement will be charged to you, along with a \$75 administrative fee, and assessed against the property if necessary.
