Holland's Neighborhood Commercial Districts

In addition to Holland's well-known Downtown Neighborhood, Holland has several Neighborhood Commercial Business Districts throughout the City. The character of each district is unique and special to the neighborhood that surrounds it - with all offering personal, friendly service. From convenience to charm, these districts offer specialty shops that include everything from cafes to boutiques, quaint eateries to a day spa ... guaranteed to keep you coming back for more.

A sampling of Holland's finest businesses include...an independent florist, custom cut gems and jewelry, a day spa, salons, white linen dining and nearby convenience stores where a loaf of bread can be purchased, all providing the type of courteous and warm service one finds at locally-owned businesses.
