Each summer the Holland Police Department will host a Junior Police Academy for 7th and 8th graders (for students who have just completed the 6th or 7th grade). There will be one academy which will run for three weeks. Class sessions will be: Monday through Thursday from 8 a.m. to 1:00 p.m. A mid-morning snack will be provided, and field-trip transportation will be by Max Bus.

Also, travel to and from home and the Academy MAY be arranged on a case-by-case basis, depending on family needs.

Each day will consist of classroom instruction and a recreation period. Classroom instruction will either be listening to speakers from various agencies or on a field trip. There will be designated "fun days" where we will be going to the movies or Craig's Cruisers. All materials needed for the "classroom" will be provided.

A variety of topics will be covered during the four weeks. Topics will include the Court and Probation system, Holland Fire Department, the 911 system, Traffic Enforcement (including a mock crash), Firearms/Use of Force, and Crime Scene Investigation (including a mock crime scene). Discussions about "Creating a Perfect Society/Creating Laws", "Cultural Sensitivity/Prejudice", and "Goal Setting/Responsibility" will be included. The Finale of the Junior Police Academy will consist of a Graduation Ceremony (parents are invited to attend).

The Junior Police Academy will consist of about 20 students, combined from Holland area Middle School students, and Vanderbilt Charter Academy, Holland Christian Middle School, and Black River public schools. If room allows, students from outside the Holland District may attend. Selection is based on interest and input from school faculty and School Resource Officers. We will require the student have 100% attendance (unless sick or other excused absence) and behavior similar to attending school. If the student cannot attend a majority of the sessions, he/she will not graduate and another student will replace them.
