

## The Knot Best of Weddings 2015

Press release date: 2015-02-02

Windmill Island Gardens is pleased to announce that they have been selected as a 2015 winner in [The Knot Best of Weddings](#), an award representing the highest-rated wedding professionals as reviewed by real couples, their families and wedding guests on The Knot. This is the 5th year in a row Windmill Island Gardens have been selected for The Knot Best of Weddings.

In 2015, only 2% of the 250,000 local wedding professionals listed on TheKnot.com have received this distinguished accolade. The Knot Best of Weddings provides a by-couples, for-couples guide to the top wedding professionals across the country. To determine the winners, The Knot assessed a sample of almost one million real reviews across the various vendor categories—venues, musicians, florists, photographers, caterers and more—that a bride or groom would want in order to inspire, plan and pull off their own unique wedding.

“We are thrilled to receive this honor, and now be inducted into the Best of Weddings Hall of Fame. It is truly a joy to work with wonderful families and couples to help make their wedding dreams come true.” – Alisa Crawford, Event Coordinator, Windmill Island Gardens

Here is what one mom had to say about her daughter’s wedding:

*“My daughter had a vision and the Windmill Island venue and staff made it all possible. They were accommodating and very helpful. It was a beautiful day but even if the weather had not cooperated, I felt very comfortable with their backup plans for an indoor ceremony. Our guests loved the gardens and the “tent” was beautiful. True professionals with a romantic side.”*

The Knot has helped inspire and plan more than 25 million weddings. With a rich history of providing quality content and inspiration to couples, The Knot is making it easier for couples to connect with just the right wedding vendor to create a wedding that is unique to them. More than eight out of 10 couples come to The Knot, and they can be connected to any of 250,000 local wedding professionals across the country. The Knot is marrying great technology with trusted content—and a little love--to make planning for the most important day of a person’s life easier and more enjoyable.

Windmill Island Gardens has been hosting weddings for ten years and has quickly become a highly sought after wedding venue in the West Michigan Lakeshore area. Many guests comment on the beauty of the flower gardens and the relaxed atmosphere along with enjoying the historic setting that includes an 18th century Dutch windmill.
