

Construction Updates

In 2011 the City of Holland and Board of Public Works will be working together to reconstruct the following roads -

Matt Urban Drive to W. 48th Street to City Limits. This project was delayed from 2010 due to permitting issues.
Central Avenue, from 8th Street to State Street and 19th Street from Central to College Avenues.
East 48th Street, from Regent Blvd. to Lincoln Avenue.
East 48th Street, from M-40 to the east City Limits.
East 40th Street, from Industrial Avenue to the Railroad Tracks just west of Waverly Road.

Additionally, select roads will be milled and repaved. Those roads have not yet been determined for 2011.

These roads were repaved in 2010 -

East 32nd Street between US-31 & Beechcreek Drive
Waverly Road from just north of Chicago Drive to East 8th Street
East 8th Street from Waverly Road to Paw Paw Drive
Brooks Avenue between 32nd & 40th Streets
East 24th Street between Waverly and Country Club Roads
