

Donating to DeGraaf Through the Community Foundation of the Holland/Zeeland Area

The CFHZA has an Agency Fund established which creates a partnership between the DeGraaf Nature Center and the Foundation to create an endowment for the Center. The long-term objectives of the Center will be supported by this endowment with yearly revenue grants.

To make a donation to the Center's endowment set up with the CFHZA, please visit the foundation web-site. To designate DeGraaf Nature Center as the benefactor of your donation, please type DeGraaf Nature Center Endowment in the "Fund Name" section of the web-site.
