Holland BPW Volunteers helped out at the seventh Holland Dept of Public Safety Drug Take Back Day held Saturday, April 26, 2014 (part of the Drug Enforcement Administration's national drug take back program)

- 48 residents arrived to drop off approximately 100 lb of unwanted/expired drugs:

All medications collected will be incinerated. What a great opportunity to prevent accidental poisonings, intentional drug abuse and keep complex chemicals from entering our lakes and streams!
