

## President Obama Returns to Holland - Video

**Press release date:** 2011-08-10

The City of Holland is very pleased to welcome President Obama back to Holland on Thursday, August 11. This marks the President's second visit to Holland in 13 months. The President will be touring the Johnson Controls Medowbrook facility on West 48th Street and then giving an address on motor vehicle fuel standards, advanced manufacturing, alternative energy, and our future economy.

This event is a ticketed event with invitations issued by the White House. The City of Holland, Mayor, and City Council is not able to grant access to the event.

Please watch local news outlets for the latest schedule, arrival time, and travel routes for the President's visit.
