

Street Performer Series

The Street Performance Series takes place in Downtown Holland every Thursday night from 6:30 pm to 8:30 pm this summer! During the Series, artists from all backgrounds perform free for the public, filling the streets of Downtown with musicians, aerial acrobats, jugglers, puppeteers, balloon twisters, theatrical troupes, magicians, caricature artists, and much, much more.

Young and old alike are invited to delight in the sights and sounds of the street performers. Every week is different than the week before! The 2012 Series takes place from June 10 to August 30 and features almost 30 performing artists and groups each week. The Series is free to attend, but tipping the performers is highly encouraged!

The Street Performer Series is sponsored by Gentex Corporation and supported by the Michigan Council for Arts and Cultural Affairs and the Holland Area Arts Council.
