

Reptile Ranger-Live Monitor Lizards

Event Title: Reptile Ranger-Live Monitor Lizards

Date/Time: Sat, Apr 14th 1:00pm - 3:00pm

Location: DeGraaf Nature Center

Marshal Joel – Reptile Ranger is coming to DeGraaf for two shows with Live Giant Monitor Lizards! Joel has been a reptile owner for over 15 years and a member of the Michigan Society of Herpetologists since 2003. He will be talking about a family of reptiles known as monitor lizards. He will bring both Nile and Crocodile Monitors and share some of his experiences in keeping, training, and breeding these unique animals. One of the monitors he will bring grows to be the longest lizard in the world and the other is a top predator. Bring a camera to have your picture taken with the lizards! **Fee: \$3 or Free for Friends of DeGraaf Nature Center. Please register.**
