DESCRIPTION This massive two story clapboard gabled ell sits on a stone foundation. There are entries from a raised porch in both the gable front and side gabled sections. The house has shuttered 1/1 wood double hung sash windows and a shingle roof. City assessors records reveal the following list of alterations: 1970-1990, the wood posts on the porch were replaced with wrought iron ones. Although the house has two brick chimneys, the fireplaces have been removed.
