10th Street Reconstruction Project Public Meeting #3

The City of Holland is planning to reconstruct 10th Street from Lincoln Avenue to Van Raalte Avenue during the 2021 construction season. Public meetings were held last year to determine project scope and details. At public meeting #3 we'll briefly review project scope & details and discuss construction schedule, coordination and expectations.

Given the current meeting restrictions in place due to COVID-19, masks will be required for those that want to attend the meeting in person. We encourage residents to join the meeting virtually at the YouTube web address below during the meeting time. We will be live streaming the meeting and monitoring the chat box during the meeting to answer questions. You can also submit questions or comments ahead of the meeting via email to transportation@cityofholland.com. This is the third & last public meeting regarding the 10th Street project.
