The Paw Paw Drive Bridge is scheduled for rehabilitation work starting on Wednesday, May 19th. The work will include deck replacement, beam repairs and some substructure work. No traffic will be allowed over the bridge while it is under construction. Paw Paw Drive traffic will be detoured via Waverly road and BL—196 (a.k.a. Chicago Drive) and the detour route will be marked with signs.

The bridge rehab project is scheduled to be completed and re-opened to all traffic by July 2nd. Towards the end of the project, we intend to resurface Paw Paw Drive between 112th Avenue and 8th Street.

Mail delivery and garbage service will continue as normal during the project.
