For more information on the project, please visit the following website at:
<https://www.cityofholland.com/1043/10th-Street-Lincoln-Ave---VanRaalte-Ave>

Project limits are 10th Street from Lincoln to Van Raalte Avenue. Work will begin Monday, May 17th on phase 1. See project phasing below:

Phase 1 — 10th Street from Lincoln to College Avenue (May to early July/August).

Phase 2 — 10th Street from College to Pine Avenue (early July/August to early Mid September).

Phase 3 — 10th Street from Pine to Van Raalte Avenue (early Mid September to end of October).

Improvements to 10th Street will include new water main, storm sewer, curb & gutters, driveway approaches and pavement along with some sidewalk replacement as needed. 10th Street will be closed to thru traffic during the project, however, local traffic will be maintained for local residents with contractor coordination.

Mail delivery and garbage service will continue during the project. On garbage collection days please bring cans to the end of your driveway and tape your address number to your garbage can as the contractor may be moving cans around on collection day.
